DETAILED ACTION

REASONS FOR ALLOWANCE:

The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claim 2 is the inclusion of the limitation of wherein before a trailing edge of the print medium passes through the conveying means, the second printing control means performs an ink ejecting operation on the basis of a first landing position adjustment value, and after a trailing edge of the print medium passes through the conveying means, on the basis of a second landing position adjustment value determined on the basis of the first landing position adjustment value and a correction value, the second landing position adjustment value being different from the first landing position adjustment value. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of 3-4 is the inclusion of the limitation of wherein before the trailing edge of the print medium passes through the print medium conveying means, the second printing control means performs an ink ejecting operation on the basis of a first landing position adjustment value determined from the first test pattern, and after the trailing edge of the print medium has passed through the pair of rollers, the second printing control means performs an ink ejecting operation on the basis of a second landing position adjustment value determined from the second test

pattern. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
